

Third Grade – Post-Visit Analytical Reflection

Choose one prompt and write a complete paragraph response:

- 1. Explain how fossils give us evidence of past environments.
- 2. Describe how humans have changed the cave environment over time.
- 3. Compare natural systems inside the cave with human systems outside it.

Paragraph Response: _____

A series of horizontal lines for writing a paragraph response, starting from the line immediately below the "Paragraph Response:" label and extending down to the bottom of the page.
